

## **Web Site Terms & Conditions**

Welcome to our web site! As a member of the Mars, Incorporated (“Mars”) family of companies, we offer an online information and communications service that we hope you will find entertaining and informative. There are a few rules of the (cyber) road that our visitors must follow when using our site, so we ask all our visitors to read these Web Site Terms and Conditions (“Agreement”) carefully.

Please be sure to read this Agreement carefully, especially the disclaimers and limitations of our liability, since use of this site constitutes your acceptance of, and agreement with, the terms and conditions set out in this Agreement.

We do not intend to make changes to our terms and conditions very often but reserve the right to do so. However, it is always a good idea to double check when you visit our site to ensure that you have read and agree with our most current terms and conditions. Any change in our terms and conditions will be prospective only. We generally do not make any changes to our terms and conditions that have a retroactive effect unless legally required to do so. Your continued use of this site after that time will constitute your acceptance of any new or amended terms.
